"Balanced Belltown" Committee - First Meeting

**Tuesday, March 2, 2010, 7pm - 8:30pm
2821 Second Avenue, 6th Floor, Beaumont Room**

Due to the recent rapid expansion of "Nightclub" liquor license classifications in Belltown, The Belltown Community Council has formed a committee to promote a balanced community nightlife that is diverse and engaged as a partner with the community. This is the first organizational meeting. If you are interested in a more diverse nightlife for your neighborhood join us to make a difference.

"Friends of Bell Street Park" Committee

The committee meets Tuesday, March 9, 2010, 5:30pm - 7:00pm, 2821 2nd Ave., 6th Floor, Beaumont Room.

This Committee is working to create community support for the new Bell Street Park through fund raising and program development activities. We are new, but excited about helping to make the new Bell Street Park a special place for Belltown.

Mission Statement

"The BCC Committee "Friends of Bell Street" will focus on raising funds to supplement the baseline park as created by the city and to support its community interactions through programming and other activities in order to promote the park's safety, vibrancy and sustainability."

Check out the program from our last public meeting on the [Bell Street Park Design Review](#) (be patient as this is a large file and also requires Adobe Reader).

Public Comments On Councilmember Burgess' "Plan To Improve Public Safety"

Wednesday, March 17, 2010, Seattle City Council

Public Safety and Education Committee Meeting
Meeting Starts 9:30am with Comments heard about 10:10am
Council Chambers, Seattle City Hall, Floor 2
600 Fourth Avenue, Seattle

This is your opportunity to speak up and support a significant step to reduce aggressive and intimidating solicitations. Let's stand up and give the police another tool to protect our residents and those who are preyed on by such disorderly behavior.

A large showing at this meeting will send a clear message to the city on our concern for street disorder. Street safety and intimidation has been a consistent issue in Belltown.

Burgess' proposed plan calls for:

- Hiring new police officers
- A return to foot patrols in Downtown (Belltown)
- New restrictions on aggressive solicitation
- Improved outreach to those in need
- More housing with on-site supportive services to reduce street homelessness

Burgess' proposal is critical to the safety issues experienced Downtown (which includes Belltown) and in other neighborhoods throughout the city.

If you cannot attend then send an email in support. [Clicker here to learn more about emailing your comments to City Council.](#)

Did you know:

- **One in four Greater City of Seattle residents avoid Downtown due to fear of personal safety. (2009 City of Seattle Community Assessment of Policing Survey)**
- **Sixty-six percent of Downtown residents report being concerned about aggressive panhandling, and 75 percent are concerned about the buying and selling of drugs Downtown. (2009 Metropolitan Improvement District Residents Study)**
- **Thirty-eight percent of Downtown residents do not feel safe walking Downtown at night. (2009 Metropolitan Improvement District Residents Study)**

Belltown Park Cottages Need Your Help

Hey Belltown Neighbors and Friends: We Need Your Help!

Do you have painting experience? Access to ladders, brushes, and tools? Do you enjoy gardening? Want to spend a few hours with likeminded people from your community?

The three historic cottages at the Belltown P-Patch are in need of some serious TLC, and the Friends of Belltown Gardens is organizing two volunteer days THIS FALL to wash, paint, and clean up the outside of the cottages.

We need: 6 - 12 experienced painters + painting equipment (we'll supply the paint)
: ladders and step-stools, brushes, tarps, and other painting materials
: gardeners to help move - and then replant - shrubbery
: volunteers for small tasks as needed

If you can donate an hour - or a weekend - we'd love to have you. Food and drink provided for all volunteers!
